Conference URL / QR Code

International Conference on Finance and Accounting ICFA 2024 aims to bring together leading academicians, research scholars and corporate professionals to exchange and share their experiences and research results on all aspects of Finance and Accounting. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered, and solutions adopted in the fields of Finance and Accounting. The conference will be held in **Online mode**.

About IIMP

Indira Institute of Management Pune is the flagship institute of Shree Chanakya Education Society. IIMP is an autonomous institute affiliated to Savitribai Phule Pune University. The institute offers MBA and BBA (UG Program). The MBA and BBA program is affiliated to SPPU. IIMP is the very first management institute in Pune and third in Maharashtra to be accredited by the National Board of Accreditation (NBA) of AICTE, New Delhi for MBA course. It is re-accredited for the fourth time up to June 2023. The recent grant of autonomy for its MBA Program is yet another feather to its cap.

Vision of IIMP

IIMP aims to continue to be a Centre of academic excellence in the field of management education with the purpose of developing socially responsible business leaders and entrepreneurs, who are global citizens and will help in creating a world that will uphold and preserve humanity beyond religion and gender.

Mission of IIMP

- To develop managers and entrepreneurs by promoting a learning environment that encourages knowledge inquisitiveness, creative thinking, systems thinking and social intelligence.
- To contribute to the human capital requirement of the industry by enhancing the employability of the graduates.
- To sensitize the graduates towards work ethics and social responsibility.
- To foster strategic alliance with industry for research and its application.

SCES's IIMP has excelled in the field of Management Research since 2007, by creating a centre for research and registering students for Ph. D in Management under the faculty of Commerce and Management of Savitribai Phule Pune University. The centre is recognized by Savitribai Phule Pune University (Formerly University of Pune). PGRC provides guidance to the Ph. D students in the following areas of specialization: Marketing Management, Financial Management, Human Resource Management and Computer Management. 65 students are registered at our PhD centre, out of which 20 have been awarded their Degree from SPPU. The centre also organizes workshops, National Level and State Level Seminars and Symposiums for its Ph.D. students and faculty members.

About Conference theme

IIMP has organized the International Conference on Finance and Accounting ICFA 2024 with the theme : **Navigating Financial Challenges amongst Global Uncertainties**

The theme addresses the challenges which the world is going through a period of unprecedented global uncertainties. These uncertainties have been brought about by a combination of factors including economic instability, political tensions, natural disasters, and pandemics. Navigating financial challenges in such an environment can be an overwhelming task, but it is critical to ensure financial stability and security.

Conference Objective

The main objective of this conference is to bring together academicians, researchers, and industry experts to share the latest research findings, insights, and best practices related to managing financial risks and uncertainties in a rapidly changing world.

The conference will cover a wide range of topics, including global risks, emerging financial markets, the impact of technology on the financial industry, sustainable finance, risk management, and investment strategies. Speakers and panelists will provide insights into the latest trends and best practices in the financial industry and share practical strategies for navigating financial challenges in uncertain times.

Overall, the conference will provide a platform for academicians, researchers, and industry experts to come together, share insights, and collaborate on finding solutions to the challenges facing the financial industry in a rapidly changing world. The conference will contribute to the advancement of knowledge and understanding in the field of finance and help to shape the future of the financial industry.
